The Selectmen spoke to David regarding the previously mentioned ordinances. David had spoken that we needed a cannabis ordinance, powerline, solar panels, as well others needed to be updated. He mentioned other towns he worked with had these completed and he would get a copy for us to review with our planning board.

Willie spoke that the Selectmen had decided to put cemetery mowing out to bid.

Josh spoke to David there have been issues with some of the 911 addressing. A couple of residents are not recognized by GPS as they should be. Selectmen will be sending a letter to programming officials to move this responsibility over to Contessa, as she has had the proper training.

Selectmen all reviewed Jacky's agenda for the assessing meeting to review issues that have been brought to attention.

Ivy presented the Selectmen with the current foreclosure list. We currently have 4 listed on the report, with Monday, February 12th, 2024, being the cut off for payment acceptance.

Casellas has sent a bid for curbside rubbish removal. Selectmen reviewed. Ivy has a list of current bids if anyone would like to review them as well. A decision will be voted on as to who we will be working with before the town meeting for budgeting purposes.

Selectmen read and signed the Fire Contact for the Town of Brooks and the Town of Freedom. We have not received one yet from Thorndike.

Josh reviewed a bill from Dirigo Engineering. The Shibles road culvert was noted on the bill, but Josh has not heard from them since September. He will call for clarification before approving the payment.

Road signs to be ordered: (2) Kenney Road signs, (1) Larrabee Road, (1) Old County Road, (2) Belfast Road. Sheldon Lane needs to be reviewed to see if there is a sign there. David mentioned another road to be ordered, but we have not seen paperwork for said road.
