In attendance: Willie Ingraham, Jeff Stevens, Joshua Larrabee, Ivy Larrabee, David Schofield, Bill and Shannon Littlefield

Meeting called to order at 6:05pm by Josh Larrabee

Previous meeting minutes were reviewed. Voted all in favor for approval.

The warrants were reviewed and signed.

The expense and revenue reports were reviewed.

We have received salt prices for the 2025/2026 season. Josh signed a contract with Eastern Salt Company for \$70.25 per ton, down from \$73.85 from last season.

The Selectmen discussed having to send sand bids out. Josh noted we have about 500 yards in the shed. They decided to table this until the next meeting to review the sand shed and decide what to request on the bids.

David was in attendance. Josh spoke that we've had a few complaints about the turn around time for building permits. David has gotten these resolved. The Planning Board has been active again and the permits have started going to them.

We had a resident complaint about the campers being lived in on the Belfast Road. David will be reviewing as the Health Officer. David spoke that he has some other campers in town he has been in contact with. He has requested them to submit waste disposal slips every month to be compliant with State Ordinances.

We are still waiting on the DOT State Camp to move forward with our transfer station. Josh has reached out and has not gotten a response.

We have sent Shibles Road Bridge bids out, no responses yet.

Bill and Shannon Littlefield stopped in updating the Selectmen on the cold patch job. They are almost done. Josh asked Bill if he would check out the Old County Road washout by Linwood and Karens and put cold patch in that section.
