Warrant #77 - \$650.00

Warrant #78 - \$24,023.11

Warrant #79 - \$1,200.00

Warrant #80 - \$3,417.02

Expense and revenue reports were reviewed and accepted

Jacky had abatements for 2 properties that were signed

3 winter Sandpile bids were dropped off at the office with JC Trucking LLC winning the bid at \$14.00 per yard of sand to be delivered by October 31st.

Mackensie and Contessa wrote a culvert policy based on Maine Statutes to help clarify the financial obligation for installing and replacing culverts in driveways. Selectboard signed the policy but would like to add a section stating size requirements at a later date.

The superintendent of RSU3 sent a letter to the office to let the selectboard know that they are willing to attend selectboard meetings upon request of the selectboard. All members of the selectboard would like to invite her to attend one of the meetings so Mackensie will reach out to her to schedule a day for her to attend.

The office received the General Assistance ordinance from the state which was signed by the selectmen.

The Shibles Road bridge structure is still in the works Josh has been calling American Concrete to try to figure out a time frame. They mentioned that we should be able to get it completed by first of October. Josh will keep the office updated if he hears anything. FC Works will install the bridge/culvert.

The office received a euthanization bill for a dog that was hit by a truck and the aco was unable to find its owner after several days of looking.

Josh asked the office to order more stop signs as there are no more in stock for the roads, Mackensie will work on that this week with Contessa.

Mackensie spoke to the Fire Chief about the mutual aid fire department agreements with Brooks, Freedom, and Thorndike. He explained that the other town Selectmen usually write these contracts and then send them to Knox. The Selectmen asked Mackensie to reach out to the other towns to see about scheduling a sit down meeting to see if they would be

interested in discussing the contracts before we receive them. This will hopefully avoid a surprise price change in the spring and give the selectboard time to prepare the budget more thoroughly.

The office has received several phone calls about when bids for mowing the town office will be going out. Josh is going to verify if Cindy wants to continue to do it next year, but if she does not want to continue with the contract the bids will go out in the spring.

Meeting Closed 7:02 pm
