Public Hearing

Shoreland Zoning Ordinance

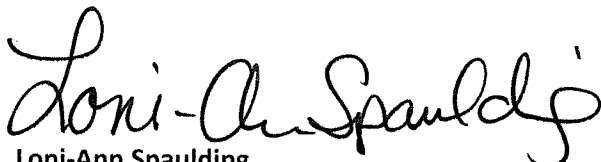

03-16-2022

David Schofield, William Ingraham, Loni Spaulding, Bo Spaulding, and Bruce Grass

Willie open meeting at 6:01pm

David gave a brief explanation of the new ordinance and the changes made to bring it up to date with the state. Every 10 years ordinances are supposed to be redone and brought up to date. He went through the old ordinance and picked out what he thought needed to be changed. David worked with the state to bring the ordinance up to date and correct. There were a lot of changes made to the ordinance. It will need to go before the annual town meeting to be approved by the towns people. The new ordinance need to be approved by the state before it can go to town meeting. David said that wouldn't be a problem to get the approval. David will be present at town meeting to answer any questions.

Willie motion to close town meeting 6:17pm Bruce 2<sup>nd</sup> 2-0
