Meeting Minutes from 10/06/2026

All warrants were signed: Warrant #86 - $14,761.41
Warrant #87 - $1,298.26
Warrant #88 - $1,298.26

Expense and revenue reports were reviewed and accepted

Mackensie Received an email from Yankee Trophy that the plaque for the new Boston Post Cane recipient is ready to be picked up, and Contessa has a check for them. Isaac took the check and will pick up this week.

Mackensie received an email that the structure for the Shibles Road Bridge is complete and ready for delivery, Josh spoke to them earlier today on the phone and is working with Works to figure a drop off time and place. When he figures out the delivery date, he will let Contessa know so he can give them a check when it is delivered.

The office received a letter from a resident on Weed Road asking for gravel to fill in potholes on the road. Josh will reach out to them to get more information to see what the town can do to help.

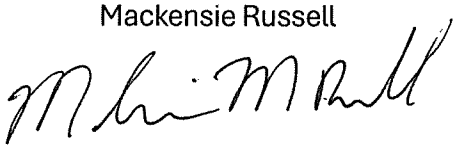
Jacky left an abatement for Account #511 for the 2025 taxes as there was a mobile home removed in 2024. Jacky and the property owners had problems connecting when Jacky had been in the office previously, this caused a delay in the abatement being filed.

Mackensie and Contessa asked Jacky what she thought the selectboard could use as grounds to file an appeal with the state on the 2027 valuation, she does not feel there is any real argument the town can make without a re-evaluation of the entire town. All selectboard members agreed the appeal is not going to happen yet and will think about some other options. The selectmen are going to talk to Jacky about options to prevent losing more of the homestead exemption. They may have to schedule a Selectman Meeting for a day she is already in the office.

Resident from Bryant Lane came into the town office to ask about the status on fixing the road after the work done earlier this year. They stated that the road was graded this spring, but the grading process left the culverts and ditches filled with gravel. Josh will drive up to Bryant Lane to check out the road to see if he can see the issue the resident is referring to.

Mackensie shared a list of accounts that are overdue for real estate taxes for the 2024 tax year. Isaac offered to reach out to the property owners of accounts 359, 360, 361, 409, and 612 to see if they will come in to pay off the 2024 taxes.

Meeting Closed 6:50pm

Respectfully submitted by


Mackensie Russell
