Properties foreclosed on the Shibles Road property closed on 12/12/2025

The idea of a locked drop box in or at the office for people to drop stuff off when the office is closed was discussed further. Selectmen would like to look into replacing the front door with a door that already has a locked drop box installed rather than trying to install one in the door, they are concerned with the drop box interfering with wheelchair accessibility if we install it on the current door or office wall.

Shibles Road bridge still waiting for another bid

Discussed the town Bank Account and who should be on the account Willie still needs to go sign paperwork

Last Saturday of the Month office hours will continue to be open for now, selectmen would like to revisit it at the end of the month

Cemetery grave filling Josh will call Bill Littlefield. Discussed finding someone for Spring to help fill graves and stone repair/cleaning. Need to know what is needed to do both. Some stones are broken beyond repair or missing, discussed replacing them with markers rather than new stones.

Knox needs a new Town Fire Warden; Mackensie will send a town email inquiring about interest and informing the need for a Fire Warden.

Mackensie brought up topic of town contracts and which ones are currently needed. Selectman had to resign Mackensie's Employment contract as it was misplaced.
